

Some Really Big News!

STEP UP FOR OSTOMY 2021

On October 2, 2021, across Canada, people living with an ostomy, their friends and family will walk, run, roll, slide, hop, dance, sashay, prance, bike, jump, strut, twirl, skip, chill, play cards, or whatever to raise funds and awareness for Ostomy Canada. (Remember anything you do needs to be done with public health measures in mind.)

This amazing virtual cross Canada event will raise much-needed funds to help us improve the quality of life for people living with an ostomy in every province and territory. Help us get our voices heard!

Cooper Medical Supplies is a proud Silver Sponsor of Ostomy Canada and the Step UP For Ostomy fundraising event.

Did You Know?

Truth and
Reconciliation
Commission of Canada

The Government of Canada is committed to reconciliation and ensuring that the tragic history and ongoing legacy of residential schools is never forgotten.

As you may be aware, the government recently passed legislation to make **September 30th a federal statutory holiday called the National Day for Truth and Reconciliation**. Like all Canadians, this day provides an opportunity for each public servant to recognize and commemorate the legacy of residential schools. This may present itself as a day of quiet reflection or participation in a community event.

Cooper Medical Supplies is providing recognition of this day to honour First Nations, Inuit and Métis survivors, their families and their communities. Goal is to create awareness for people to become knowledgeable.
