DID YOU KNOW?

This April 2nd is Cooper Medical's birthday! This day marks 31 years of providing our community with the freedom to live. On this day, we like to remember how and why Cooper Medical came to be. Check out Paul's story of the creation of Cooper Medical.

Read Paul's Story

This Month Cooper Medical is focusing on Incontinence.

Living with incontinence is not uncommon. Over 400 Million people experience it worldwide. It is a condition that affects both men and women, and it is not exclusive to older adults. Cooper Medical is here to help supply you with the freedom to live.
